Got it. I'll try to push it back, but if not, I'll make sure it's in the afternoon.

That would be nice, although I can call in if needed. Just note that I'm 5 hours earlier than DC.

Hi Sam. As you probably gathered, I'm out until after Christmas. Just using my phone right now so haven't looked through all the chain. What's the scheduling here?

Chris won't need to be involved.

Hi Sam – A couple things –

First, I want to introduce you to Travis Voyles who is OCIR's new Director of Oversight. He's cc'd here.

(Travis – Sam Linkins is ORD's point of contact for all congressional inquiries.)

Second, please see the attached incoming letter from EPW minority on the national climate assessment and let me know who from ORD we should include in an intake meeting to discuss coordination of the agency's response. I'd like to try to schedule this for later this week if we can get representation from all the necessary offices.

Thanks,
Kristien

ORD is the lead EPA office for the USGCRP and the NCA4. If you do not have folks from ORD, you should add them to the list. For OAR, you can add Mandy, and David to the invite list as well as myself and Carissa Cyran.

Hi Jonathan – Just circling back, please let us know who from OAR to include in an intake meeting on the national climate assessment.

Thanks,
Kristien

Hi Jonathan – Can you let me know who from OAR should be included in an intake meeting for this topic? I'd like to aim to get it on the schedule for late this week or early next week.

Thanks,
Kristien
